

#### Overarching principles for re-opening

- To return to a full time teaching timetable where possible.
- We expect full attendance from students (and staff) and attendance will be monitored in line with our attendance policy.
- In line with Government guidance all staff will be returning to work this includes those previously categorised as extremely clinically vulnerable or shielding unless individual circumstances have been agreed.
- In line with Government guidance we will endeavour to maintain a two metre social distancing measures for staff.
- In addition to Government guidance we will endeavour to adopt a one metre plus rule whilst on college site for students.
- To operate and enforce one-way systems around college sites.
- Principals, Senior Staff, PT and SPTs will be visible around the sites at the start of the day, during changeovers, lunchtimes and end of day to monitor student behaviour. Staff rotas have been prepared.
- We have reviewed and adjusted timetables to support social distancing and other control measures. (See Appendix 1-3)
- Face coverings **must** be worn by **all** when moving around the Colleges, when using the shops or canteen outlets, helpdesks, LRC desk, payments desks and when using College buses, once seated in social spaces face coverings are still advisable. Face coverings are optional in classrooms.
- We will use a RAG system around the site to identify where face coverings are required, advisable and not required.
- Classrooms will be made available at lunchtimes for all students to reduce the amount of students in social areas.
- We will reduce the number of tables and seating available in social areas and reduce the number of study desks/seating in study areas.
- We will endeavour to restrict the number of staff and students in shared areas at any one time.
- Sports halls will be kept in reserve if individual colleges feel they require an additional social space.
- During the first term we will only be allowing day trips from Colleges in line with Government advice No overnight trips.
- We are encouraging regular hand washing, sanitisers and good hygiene.
- The full enrichment programme won't start until after October half term at the earliest.
- Some of the competitive sports are following Governing Body regulations and may be able to start earlier.
- Peripatetic teaching will resume with 2m distancing measures in place and with appropriate PPE. This is under review and we are awaiting further guidance.
- We have staggered the start of College for students as follows: Monday 7- Thursday 10 September Y13 only for progression exams. Friday 11- Monday 14 September Y12 only. Tuesday 15 September all students full timetable including tutorials, ISC and TAPs etc.

#### Local Lockdowns

Should any of the areas be placed under local lockdown with students not able to attend – depending on the restrictions implemented we would:

- Expect staff to still travel into College to use the facilities unless travel restrictions are in place.
- Teaching staff will deliver timetabled lessons and ensure there is an element of live teaching in every lesson.
- Progress tutors and support staff will continue to support their students.
- If teaching staff are unable to deliver timetabled lessons live due to barriers then we would put in place individual arrangements for their groups which might be joining other lessons which are taking place at the same time or recording lessons/work to be mailed to students.
- The over-riding principle being that student lessons should continue with as much normality as possible and we would seek to reduce students falling further behind their peers in other areas.
- Administrative support staff would be expected to travel to College and work as normal unless travel restrictions are in place or negotiate working from home where possible.

#### Administration Staff in September

We are negotiating individually with Team Leaders regarding the potential for some administration staff to work from home one day a week to reduce the numbers of support staff in College. Administration staff will be contacted directly by their line mangers and discussions will take place regarding how this may take place and how work will be supervised remotely. Specific advice in relation to fire evacuation, infection control, first aid and changes to relevant policies e.g. behaviour management, safeguarding will be provided to staff on return.

#### **Overarching Plans for each College:**

#### Doncaster

In accordance with government guidelines, the plan is to maintain separate Y12 and Y13 bubbles as much as possible. To help with this we have revised the timetable so that we can introduce a staggered Y12 and Y13 lunch. Morning break will be removed, with the time added onto the lunchbreak. Please see Appendix 1 for the revised timetable model.

<u>ALL</u> students will be asked to attend teacher access periods (TAPS) for the duration of this temporary timetable. TAPS are a little shorter, and teachers won't be expected to teach throughout the TAP, but still to do 1 hour over the week. However, the students will all stay and can be working on directed independent learning (DIL), or retrieval tasks, or independent work.

We are dividing social and study spaces into a Y12 and a Y13 half, with signage, but with more open arrangements to use the spaces more fully during the staggered lunch. One way systems and all the hygiene arrangements (e.g. handwashing, table cleaning etc.) will be in place for September. We may need to use the sports hall as a

spill-over study / lunch area with tables and chairs as we will probably need to spread out furniture we already have to maintain social distancing (plus we have additional furniture arriving).

#### Pontefract

Unlike Doncaster we are unable to maintain separate year group bubbles due to the make-up of the buildings, the number of part-time staff and the number of students in the cohorts we have therefore introduced an amended timetable. We have removed morning break time and reduced lunch to 30 minutes to reduce the amount of free time students have on site. The day will finish early at 3.25 for Y12 students and 3.30 for Y13 students.

We aim to restrict numbers into the SU, LRC and other social areas and to encourage students to stay in classrooms over lunchtime to reduce movement around the site. Students will be encouraged to go off site when not in lessons and we have altered the opening times of the food outlets to spread out the time food is available. See Appendix 2 for full details.

#### Bradford

Due to the specific concerns of Bradford with high levels of deprivation, ethnicity (BAME) and high infection rates we have decided to run a dual model whereby staff are in College everyday but students are only in College when they have lessons and have 2 taught lessons and 1 distance learning lesson each week. On Monday, Tuesday and Thursdays we have two double lessons – one morning and one afternoon – so student time in college is contained within those lessons with limited moving around. See Appendix 3 for full details and rationale.

Based on SAGE modelling, the hierarchy of controls to help prevent the spread of COVID-19 are set out below and are embedded in our risk assessments and action planning.

#### Systems of Control:

- Controlling the transmission of the disease: minimising contact with students and adults who are unwell by ensuring that those who have coronavirus symptoms, or who have someone in their household who does, do not attend College.
- Management and control through personal hygiene: cleaning hands more often than usual wash hands thoroughly for 20 seconds with running water and soap and dry them thoroughly or use alcohol hand rub or sanitiser ensuring that all parts of the hands are covered.
- Ensuring good respiratory hygiene: promoting the 'catch it, bin it, kill it' approach
- *Enhanced cleaning regimes*: cleaning frequently touched surfaces often using standard products, such as detergents and bleach.
- Minimising contact and mixing: altering, as much as possible, the environment (such as classroom layout) and timetables (such as staggered break times).

• Where necessary, wear appropriate personal protective equipment (PPE)

#### **Response to any infection:**

- Engage with the NHS Test and trace process
- Manage confirmed cases of coronavirus (Covid19) amongst the College community
- Contain any outbreak following local health protection team advice

This following action plan sets out our response to key areas of consideration:

#### See Key of staff and roles at end of document:

Area	Consideration	Specific Actions	Who	When
Health and safety	Review health and safety risk assessments ensuring these are based on the Public Health System of Nine Controls in the DfE guidance. Plan and agree communications to staff, including but not limited to:

> Arrangements for keeping staff and students safe

•

- Staff deployment and attendance expectations
- Curriculum and timetabling
- Workload and wellbeing
- -Training

Plan and agree communications to parents/carers, including but not limited to:

- Attendance expectations
- Uniform expectations
- The curriculum
- Transport
- Dropping off and picking up -
- Parents/ carers visiting the school

Agree the frequency of communications with parents or delegate to school-level

- Regular communications have continued throughout the lockdown and college summer closure period to both students and parents. • Letters and text messages have been sent to students and parents on a regular basis. The website is regularly updated with messages to students and parents • HR in regular contact with identified staff. Action plan and risk assessments shared to all staff/BOD/AG. • CEO/JV in contact with DfE/RSC Academies contact. • Principals have maintained regular liaison with local authorities. Y11 applicants and Y12 will receive a positive, reassuring letter in the last • week of term to inform them that college intends to reopen to all students in September. In the last CEO update of the academic year, the CEO included a similar • message to Trust staff. COVID-19 Team Staff briefings before the end of term - Principals held staff briefings and • updated in person the following: Restart in September details, plan to teach groups in person, the 'one metre plus' rule, the changes to the Y12 and Y13 start back dates, info regarding the action plan and risk assessments was highlighted to staff that it would be sent over the summer holidays on 13/14 August.
  - Continue with ongoing message, briefings etc. to staff with updates and • reminders, as required.
  - Final Action Plan 12 Aug meeting of the Trust Executive and key staff To • finalise the action plan and risk assessments.
  - Consultation of key stake holders (BoD, Advisors, staff, unions, parents) All • paperwork to be sent for consultation, comment etc. on 13/14 August.
  - Deadline for consultation - 18 Aug for comments to be returned to JT (swift turn-around due to time limitations).
  - Trust Executive meeting To review comments and make any necessary • changes - 19 August.
  - All students to receive a KIT letter on 19 August This will be a reassuring letter, but will not contain all the finer details until BoD approval.
  - Staff communication One the plans have been approved by the BOD, staff • will be informed via email and the relevant documents published on the websites.
  - Final student/parent letter This will be sent on 1 Sept, confirming • arrangements for Y12 and Y13 starting back, including the H and S video link. (one week before Y13 return and nearly 2 weeks before Y12 start).

### Decisions and actions to manage the financial and educational impacts and regulatory and accountability environments

Financial impacts	Ensure additional cost pressures due to COVID-19 have been identified and an end-of-year forecast which factors them in has been produced for the board	<ul> <li>We have set up a Covid-19 fund for 2020/21 to account for any additional costs which may occur.</li> <li>Budgets have been set for 2020-21 which reflect some of the additional expenditure expected as a result of Cod-19. E.g. we have factored in additional cleaning costs and loss of catering income into our budgets etc.</li> </ul>	JV/DH	Ongoing Ongoing
	Assess whether schools in the trust are eligible for financial support (DFE has published <u>guidance</u> on the financial support schools and trusts will receive to reimburse them for exceptional costs incurred during COVID-19. These relate to increased premises-related costs; support for free school meals for eligible children who are not attending school and where those costs are not covered by the FSM national voucher scheme and additional cleaning costs)	<ul> <li>We are monitoring the guidance in respect of any additional funding which may be available for which we are eligible.</li> <li>We have accessed support for our FSM student during the summer period.</li> <li>FSM will continue to be available for students on their student ID cards in September weekly so that if they want to buy food from the outlets in advance they can do this.</li> </ul>	JV/DH JV/DH JV/DH	Ongoing Completed Ongoing
	Assess impact on reserves and review reserves policy	<ul> <li>Budgets have been set which reflect our expectations of likely costs at this moment in time we do not expect this to impact negatively on reserves.</li> <li>Reserves policy is being reviewed.</li> </ul>	JV/DH JV/RF	Ongoing Ongoing
	Assess impact on three-year financial strategy	• Three year budgets are being reviewed.	JV/DH	Ongoing
	Explore additional sources of income	<ul> <li>We are monitoring government guidance regarding any additional funding which may be available</li> </ul>	JV/DH	Ongoing
	Review policy and procedures related to fraud (see <u>Fraud Control in</u> <u>Emergency Management: COVID-19</u> <u>UK government guide</u> )	• We have reviewed the policy and our systems are fit for purpose.	JV/DH	Ongoing

vironment	Review the new regulatory requirements in the <u>Academies</u> <u>Financial Handbook</u> which comes into place in September 2020 (summarised in <b>annex B</b> below)	<ul> <li>We have reviewed the regulatory changes.</li> <li>Our current governance arrangements meet the changes and we already have a clerk to the Board and up-to-date registers of interest.</li> <li>The CEO and CFO are employees</li> <li>We have internal scrutiny which covers both financial and non-financial controls and is performed by auditors separate to our external auditors</li> </ul>	N N N N	Completed Completed Completed Completed
itory en	Agree a plan for internal scrutiny (CST will offer further advice on this)	<ul> <li>We have an internal audit plan agreed with our internal auditors for the next year.</li> </ul>	JV/DH	Completed
and CFO Regulatory environment	Agree the arrangements for external audit and associated returns - ESFA has confirmed that the current timetable should remain	• Our arrangements for external audit are in place and will ensure that we meet deadlines for submission of final accounts etc.	JV/DH	Ongoing
CEO an	Keep under review the statutory timescales for returns that have been paused or deferred - ESFA published <u>guidance</u> on reducing burdens which includes a full list of returns that have been cancelled, paused or deferred	<ul> <li>We are working to the new deadlines for submission of budgets 2020-21</li> <li>All other returns are being provided as required to meet deadlines</li> </ul>	JV/DH JV/	Ongoing Ongoing
Accountability environment	Review the arrangements for school and trust accountability and the performance management policy in the light of DFE <u>guidance</u> on how school and trust external accountability will be handled this year. (Schools and trusts will not be held to account based on exams and assessment data from summer 2020 and data will not be used by others, such as Ofsted and local authorities, to hold schools and trusts to account). We await clarification on 2021.	<ul> <li>We have revised our performance management procedures for 2020-21 in light of exam data.</li> <li>We are removing the performance and outcomes sections from the APR process for teaching staff.</li> <li>We will only be assessing teachers on values and behaviours sections.</li> <li>Keeping all sections for support staff as normal.</li> </ul>	RF and Principals/LW RF and Principals/LW RF and Principals/LW	Ongoing Ongoing Ongoing

#### Doncaster Timetable and Specific Arrangements

- Students and staff will return to a full timetable in September. However, the timetable model is slightly different to NCP due to it being half the size with regard to student numbers. The timetable model was different pre-COVID-19.
- Additional support periods such as Tutorials and the Intervention and support centre (ISC) will run as normal.
- Teacher access periods (TAPs) have been moved to adjoin period one as opposed to the normal period two.
- Timetable blocks will remain the same on each day but will be re-ordered to assist with social distancing when not in lesson.
- No enrichment activities will be delivered until after half-term and depending on the latest guidance from the government re COVID 19.
- Some competitive sport may start before half-term, where national governing body guidance allows it.
- No break-time and the removal of the TAP from the end of period two will allow a split lunch for year 12 and year 13 to ensure year group bubbles.
- This will all be reviewed at the end of the first week, then again at October half-term and then each half-term there-after.

#### **Rationale and Arrangements**

The blocks within each day remain the same, just reordered, which means that part time staff would still work the same days as currently planned. The block reordering allows for a split Y12/Y13 lunch in the middle of the day. This should be straightforward provided the same teacher of a block teaches the same class both before and after lunch and this should be the situation in virtually all cases. In adjusting the blocking, the TAP adjoins period 1 rather than the current period 2. It would be quite straightforward to revert to our original timetable model from this model when it is appropriate to do so.

The split lunch is also enabled by removing the morning break but making the lunchtime longer. 15+30 becomes 45 mins. Reducing to one single break is a significant control measure, especially as it is staggered, and is simple to police. The split lunch is achieved by having 175 mins of teaching of the same block distributed either side of a 45 minute lunch – but with Y12 and Y13 lunches at different times. This arrangement also secures a split lunch for staff, provided they teach both lessons of a block either side of lunch.

The one downside of the staggered lunch is that it restricts the number of classrooms that could be opened up to students at lunchtime. However, the split lunch should reduce the likelihood of needing them. Students could remain in the room they had P2 lesson in, if they wanted to.

Four Y12 blocks will have 285 minutes of teaching per block (inclusive of the TAP), and two will have 290. All have slightly increased time than this year as they will all remain in the TAP.

All Y12 TAPs are 20 mins long, with the exception of E block which is 25 so that lunch times align.

All Y13 students will have 285 minutes of teaching time per block (inclusive of the TAP), except F block which has 280. Y13 TAPs are also 20 minutes.

There is not an expectation that staff teach during each of the TAP periods, though they are free to if they choose. The expectation remains for 1 hour of direct teacher TAP delivery over the week, but all students will be expected to remain for the TAP whilst this transitional timetable is in place – they could be working independently on retrieval tasks, DIL, or work set by the teacher for some of the TAPs.

A small amount of time has been allocated to support the smooth changeover between lessons. There is also staggered release at the end of each day.

A common sense approach will be needed in terms of allowing toilet breaks for staff and students, particularly for Y13 students who will have a long stretch of teaching in the morning if they happen to be timetabled into both morning blocks.

The enrichment slot has been removed on Wednesday but could easily be reinstated by pushing back period 3 start time, or reverting to the original timetable structure. Since it will be difficult to arrange early buses on Wednesday, some students may continue to use study space for the last hour of the day.

The start time of periods 1, 2 and 4 are the same for all Y12 and Y13 students each day. It is just period 3 where there is a difference, to support the split lunch.

### **Other Considerations:**

### Lunchtime and Study Space

- Lunch arrangements discussed:
  - Need to ensure only Y13 in queues for their respective allocated lunchbreaks
  - Students able to access food counters in free periods outside these times.
  - To aid monitoring of above for staff on duty: suggested green lanyards for Y13 students / blue lanyards for Y12 students.
- Agreed to divide following spaces in half. Need dividers and signage:
  - o Students Union
  - Ground Floor LRC
  - 1<sup>st</sup> Floor LRC
  - Quiet Study 1
  - Quiet Study 2

However, agreed that at split lunchbreaks, all tables can be used by a year group provided there is no mixing of Y12 and Y13 (where some students might still be on a study period).

Lunchtime supervision rota will be needed

- Corridor break-out areas to be divided up equally between year groups with relevant colour (green/blue).
- Site team to contact pool table company to remove for a few months.
- Laptop / PC use:

• Agreed that Y12 TAPs will be in the morning, Y13 in the afternoon (although Y12 won't be needed initially?)

- We need to finalise arrangements for access to LRC1 open access and ISC laptops
- o DW/HJ to agree booking/loan protocol for students who may wish to take a laptop away from ISC
- DW to consider if a small number of laptops may be available for loan from Ground Floor LRC, so students will be unable to use college laptops in study rooms

Bev O'Sullivan to agree with Sara Thomas, which study rooms will be available for Y12 and Y13 so no mixed ٠ use.

٠ Need to consider previously allocated 'student meeting zone' in Top Floor LRC as will now be used for laptops. Classroom to be allocated and need to consider staffing.

Sports hall to be used as a further social space, if needed. Additional tables may need to be ordered. To ٠ communicate with CD / Sport teaching staff. Could possibly use exam chairs to create a spill over space if other areas prove insufficient.

### Appendix 2 – Pontefract Timetable

## NCP proposed adjustments for September start

- 1. Students and staff will return to a full timetable in September.
- 2. Additional support periods such as Teacher access periods (TAPs), tutorials and the Intervention and support centre (ISC) will run as normal, but in year group bubbles.
- 3. The actual timetable blocks can't be changed due to the significant number of part-time staff it would affect
- 4. No enrichment activities will be delivered until after half-term and depending on the latest guidance from the government re COVID 19.
- 5. Some competitive sport may start before half-term, where national governing body guidance allows it.
- 6. No break time, a shorter lunch and an earlier finish to the college day will reduce the possibility of large student gatherings at social times.
- 7. The timetable model and size of the college doesn't allow for a split-lunch, or the separation of year groups, but the students allowed in social areas at any one time will be restricted.
- 8. This will all be reviewed at the end of the first week, then again at October half-term and then each halfterm there-after.
- 9. One way systems observed in all buildings.
- 10. Students will not observe strict social distancing in lessons, but will endeavour to maintain social distancing where possible.
- 11. In classrooms, all desks facing the front where possible and sanitiser available for hands and desks students to clean desks and chairs on entry.
- 12. Timetable adjustment to reduce time for large gatherings to amass see below. No break, shorter lunchtime, early finish.
- 13. Morning lessons extended by 5 minutes to allow staff/students to have a drink or comfort break without affecting lesson time. Staff will be told that they can finish lesson 1 at 10.20 and start lesson 2 at 10.30. We do not want to advertise that this is a short break as we want students to go from P1 to P2 without social meetings at this time. This, as in the normal timetable, is done in the morning changeover due to a number of students travelling to college and going straight in to P1.
- 14. Y12 lessons will finish at 3.25 and Y13 lessons will finish at 3.30 to have a staggered end to the day.
- 15. Outside of lessons One Metre Plus applies. Numbers restricted in SU, LRC and other social areas. Site staff to remove and store or relocate excess seating. Extra social space available during TAP and lunchtime -L18, Sports Hall, new outdoor covered areas, classrooms. Extra cleaning materials needed and larger bins for food waste. PTs to monitor and restrict capacity in SU on a rota - one entrance and one exit (unless the fire alarm sounds). SLT to monitor other social areas, with teaching staff keeping an eye on classrooms (light touch)
- 16. Students encouraged to bring their own food to eat in their classroom, or purchase food before 12 or after 12.30 if they are free. Also encouraged to leave the site when not in a timetabled activity if it's convenient, and not to congregate on corridors.
- 17. Revised opening times for catering outlets to fit in with new timetable model.
- 18. Limit the number of staff in each workroom and designate a classroom in each teaching area at lunchtime if the workroom is full. JB to assess capacity of each workroom and organise signage.

27

19. Regular cleaning of frequently touched surfaces throughout the day.

## **Appendix 3 – Bradford Timetable**

- Students and staff will return to a full timetable in September, but with an adjusted timetable to • accommodate two lessons in college and one at home. This will involve moving blocks on the timetable to create back to back lessons in the same subject to facilitate the third lesson being taught via Microsoft teams.
- Additional support periods such as Teacher access periods (TAPs), tutorials and the Intervention and support centre (ISC) will run as normal.
- No enrichment activities will be delivered until after half-term and depending on the latest guidance from the government re COVID 19.
- Some competitive sport may start before half-term, where National Governing Body guidance allows • it.
- The standard morning break-time will be removed and replaced with shorter breaks coordinated by ٠ the different floors. Lunchtime will be shorter at 25 minutes only.
- Students will leave college once their lessons are finished and they will only attend college when they have lessons.
- This will all be reviewed at the end of the first week, then again at October half-term and then each half-term there-after.

# Covid-19 Timetable Model for Bradford (September 2020)

- Staff in everyday, students only in college when they have a lesson •
- Students have 2 lessons taught in college and 1 lesson through distance learning
- 2 double lessons on Monday, Tuesday and Thursday and single lessons on Wednesday or Friday •

	Monday	Tuesday	Wednesday	Thursday	Friday
8.15-8.35 (15 mins)	Prep	Prep	Prep	Prep	Prep
8.35- 10.05 (1.5 hours) <b>1</b>	A	F	F Distance Learning	С	C Distance Learning
		Stagge	red Break Organised by F	loor(15 mins)	
10.25 - 11.55 (1.5 hours)	A	F	B Distance Learning	С	D Distance Learning
2					
11.55 – 12.25 (30 minutes)	Α ΤΑΡ	F TAP	B TAP Distance Learning	С ТАР	D TAP Distance Learning
12.25 - 12.50			Lunch – 30 minute	S	
12.50 - 2.20 (1.5 hours) <b>3</b>	В	E	E Distance Learning	D	A Distance Learning
2.20 – 3.50 (1.5 hours) <b>4</b>	В	E	E TAP Distance Learning Briefing/CPD/Meeting 2.50 – 3.50	D	Briefing/CPD/Meeting 2.20 – 3.10

## Advantages:

- Safer for staff, students and their extended families
- Fits the context in Bradford (high levels of deprivation, ethnicity (BAME) and second highest infection rate ٠ in the country)
- Parents more likely to send in their children •
- Staff reassured that we are looking after them •
- All students back in college •
- All staff in college and works for part-time staff (nobody has to change their day or hours) •
- Less students in college on any one day (down from ~ 800 to ~200)
- Students leave college once all their lesson completed, so no need to use social spaces (only 2 lessons per • day)
- 1m+ social distancing and a one-way system can be more easily imposed
- Reduced number of lesson changeovers (2 per day), so easier to clean classrooms after use ٠
- Much more efficient in terms of time to have one long lesson rather than several shorter lesson, as there is less starting and stopping time
- Much easier to keep LRC, social spaces and toilets clean •
- Much more manageable for SLT and staff to control
- Overcomes the constraints of the building, especially in the canteen and social areas
- Sports hall not needed, so can be utilised by the Sport Dept (they only had the sports hall after Christmas, • so really need to use it)
- Distance learning sessions done from college, so all staff have the time and equipment to run them
- Distance learning sessions in college easier to QA than when done from home ٠
- All groups still have a TAP
- Underachieving, vulnerable and targeted students can be brought into college on Wed and Fri, as there will be reduced number of students in college
- Students asked to come in on Wed and Fri can still access distance learning lessons as well as their teachers
- Still have two briefing/CPD/meeting slots •
- No change to the start or end of day •
- No need to have a split lunch (which was becoming very complicated and time inefficient)
- Easy for everyone to understand
- Staff already very used to distance learning and producing high-quality distance learning experiences

## **Disadvantages:**

- Double lessons require staff to really think about how they will teach to keep students engaged (but • "necessity is the mother of invention"!)
- One lesson delivered through distance learning (but staff know how to do this effectively now and the • sessions in college so will allow us to QA them)
- Three TAPS are distance learning (but staff can do 1-2-1 Teams sessions or target students needing a TAP • to come into college on Wednesday and Friday)
- Six part-time staff work Monday-Thursday and will have to either run their A block session on Wednesday period 6, or on Thursday when their students are free
